

Girls' Day

Akademie Dresden

Join us – discover STEM! Girls' Day Academy Dresden

The Girls' Day Academy Dresden is a project of Frauenförderwerk e. V. for stereotype-free career orientation for girls* in the fields of STEM (math, computer science, natural sciences, technology) as well as crafts, politics & society.

For an entire school year, we visit companies and educational institutions in Dresden, conduct workshops and skills training, and get to know female role models.

As a result, the girls* gain exciting insights, orientation in choosing a career, can strengthen their self-confidence and discover their talents. At the beginning of the school year, the groups get to know each other. Even then, the girls* have a lot of fun and make new contacts.

At the end of the school year, they receive a certificate of participation. The offer is for girls* in grades 7 to 9. Special previous knowledge is not necessary. The events take place once a week in the afternoon. The meeting points are at the following locations, each at 15:45:

- Group "Dresden-City-Center, Wednesday (group leader german/arabic)
 - Group "Dresden-North": Albertplatz, Tuesday
 - Group "Dresden-West": Wettiner Platz, Wednesday
 - Group "Dresden-East": Wasaplatz, Thursday
- They can be chosen freely.

Registration for the free "Girls' Day Academy Dresden" is now open:
www.girls-day-akademie-dresden.de/Anmeldung

There will be an online information session about the new school year at the Girls' Day Academy Dresden, on August 31, 6- 7 pm.

Please register for this by 30.08.2023 at gda@frauenfoerderwerk.de.
